Who We Are

We are a mom / daughter team who have been in the agricultural industry for over 30 years.

Colleen has a new product and marketing background and worked in corporate America for over 20 years. For the last 30 years she has been heavily involved in the cattle industry and currently manages the family cattle operation,

Marti has a medical laboratory science degree and worked in human medicine right out of college in Wyoming and Montana. She is currently employed part-time at a Veterinary clinic and also manages the family quarter horses.

Together they own and manage **Sicklebar Trading Post** which offers products that they use and recommend. This mobile feed store brings quality products right to your door.

Serving the Southeastern Idaho region.
